

Hello All

**E-Day 2019
April 6th The Enck!**

Yesterday we announced the performance of:
Thorsten Quaeschning & Ulrich Schnauss.

But after we announced it it came to light that Ulrich is having a performance in Spain on Friday the 5th.

And to be honest we just could not risk having run into problems with the timing of his flights etc for E-Day.

Many can remember last year when due to the Airline the gear of Ulrich was 12 hours missing and he could only play a shorted set!!

So together with the musicians we decided the following.

We will postpone the Thorsten Quaeschning & Ulrich Schnauss performance for this years E-Day.

But we will have something special on stage this time.

Thorsten Quaeschning and friends. We are planning a group formed around this extraordinary performer/ musician that will set the hall on fire.

We hope to have all the details next week (maybe not all but :-).

But for now we are planning something great for this years E-Day !!

And of coarse we still have!!

Wolfram Spyra - His brilliant release *Dunst* still resonates through the EM Scene.

Now he is the headliner of the Afternoon!!

RHEA (Marc de Wit) Fantastic Space music from Belgium!

We hope to have the final line up next week but these are already great musical treats for all!!

Next week more!! But tickets sales are already possible.

Easiest are the Online Tickets
