

E-Day 2022 - 14th of May

Hello Em fans,

Tomorrow a regular E-News but for those who have not heard this very, very sad news yet.

Klaus Schulze, my biggest influence in EM music has died aged 74 on the 26th of April. Tomorrow in E-News I am still in shock!

---

E-Day 2022 - 14th of May

In 2 weeks we have a new E-Day!!

At this moment the pre - Tickets sales are not great!!

So if you plan to come please pre-order the tickets :-)

For all who come we have 2 free CD's that you can pick on the day  
(there are over 100 titles to choose from!!) at the ticket booth !!

E-Day 2022 - 14th of May

NATLAB Eindhoven

All acts are on-line to check out for E-Day 2022!!

<https://www.e-live.nl/>

So here is the full program for this Eday!

**Däcker - NL** - 14:45 – 15:40 Concert

**Steve Baltes - Germany** 20:00 – 20:50 Concert

**Pyramaxx - Germany** 16:10 – 17:25 Concert

**AirSculpture - GB** - 21:15 - 22:30

**During the day we will have concerts in the extra area by Gerry Havinga.**

E- Day is held at <https://www.natlab.nl/en/>

This is one of the birthplaces of Electronic Music in the Netherlands,  
a science lab of Philips one of the most known electronic firms.

-----

This multi purpose building holds Theaters, Film rooms and a great lounge and restaurant that you can  
It is right on the outside of the center of Eindhoven, just 15 minutes walk from the Great Market and just  
A great place for the restart of E-Live and E-Day.
