

----- GENERAL NEWS -----

Hi All

Some cool new releases added,

First of the brand new **Free System Projekt - Five Suns** (2-cd) will be released on E-Day 2017!! A double CD with brand new music by Marcel and Ruud!! Many have been waiting for years for this!!

And a new **Ian Boddy & Markus Reuter** called **Memento** is about to be released in May. Their other releases are among the best music ever released by DIN. Really looking forward to this music!

Also a very cool new product added is the special DVD-CD release of **Tangerine Dream - Live at Coventry Cathedral** at a very special price, only € 13.90 !! " In December 1974 Tangerine Dream were invited to play in the grand setting of Rheims Cathedral, a move certainly seen at the time as ground breaking. Because of this, they were then invited to perform in the cathedrals of York, Liverpool and Coventry. The tour attracted unprecedented coverage in the media, especially at Coventry Cathedral, an iconic building rising like a Phoenix on the ruins of the old cathedral bombed to bits by the Germans in 1940 (Tangerine Dream is, after all, a German band) as a celebration of peace and reconciliation, as well as a lasting showcase for great contemporary art. The nave is dominated by a gigantic tapestry by Graham Sutherland, the main door dwarfed by a sculpture of St Michael & The Devil by Jacob Epstein, and the consecration in 1962 heard the first performance of Britten's incomparable 'War Requiem. To their lasting credit, *Tangerine Dream* contributed to this celebration. "

And these releases by **Bernd Kistenmacher**,

32972 : Antimatter,

22147 : Beyond the deep

76253 : Celestial movements are now also on sale for just 13.90 pp.

About Bernd, he will perform live in Hamburg on the 22nd of April in Hamburg.

For the very first time **Bernd Kistenmacher** will give a concert of a special kind in the newly renovated and modernized Planetarium Hamburg. He will play music from his new album EMPATHY, as well as some of his best-off music in surround sound, and the planetarium will draw all optical "registers" in a unique show. Visitors can look forward to some magical moments.

E-Scape 2017 Festival

And a special plug for our Sister Festival in the UK!!

Guys and Girls go to this festival if you have the chance it is fantastic!!

It's the beginning of April already and 5 weeks to E-Scape! So, it's that time when we start to send out gentle reminders about the fun filled day here in Suffolk on 13th May 2017.

We have a great line up - ARC (Mark Shreeve and Ian Boddy) performing all new music. The ever popular Glenn Main returns, plus we have Broekhuis, Keller & Scho nwa Ider from Germany performing their unique Berlin style electronic music. David Wright and Carys continue their 'Prophecy' tour, and the afternoon opens with Modulator ESP. This year's foyer act is Peter Challoner.

Plus, we are pleased to announce that our sponsor, UK synth manufacturer 'Modal Electronics UK' will be in attendance showing off their range of astonishing synths again.

Plus there will be other guest musicians in attendance, plus CD stalls, food and drink.

'Virtual Tickets' are available, so if you can't attend - perhaps because you're on the other side of the world for example - then you CAN hear the entire days music within a couple of weeks of the Festival by purchasing a Virtual Ticket.

We're making high rate MP3 or Flac downloads available for everyone who purchases a ticket. Plus this year we're also supplying the audio on USB memory stick if requested. So, if you're interested in finding out more about this all day UK electronic music event, please visit the E-Scape page on the AD Music shop website.

Here is our website link for tickets and information

: <https://www.admusicshop.com/product/e-scape-2017-festival-ticket/>

There is a lot of great music on offer - between 7 and 8 hours worth - and 'Virtual Tickets' help us to ensure live electronic music in the UK continues.

We do hope to see you there and if not, then please help support the event by purchasing a VT.

Many thanks,

Elaine/David Wright

===== Where to get Groove =====

As all know you can get all Groove titles on our website www.groove.nl

And for those who like to buy the music as a download we have of course the following outlets:

Most Groove releases are also available as Downloads on the Groove Download page.

Go to <https://shop.groove.nl/> and shop around,

But there are also releases by many other artists among them John Kerr, Remy.

For those who are a customer of CD Baby we have also a lot of titles there for in their program and we try to keep up with the stock there..

And they are also available through I-Tunes and Amazon downloads!

These have been added this year.

Groove is now also on Bandcamp.

The last months we have added new titles and we are adding them daily if the time allows!

You can now order from bandcamp and I hope to add new titles fast!!
