Hello Groove fans,

Here some news from Tangerine Dream.

### THE SESSIONS VII

We are very sorry that we have to postpone the release of the SESSIONS VII due to an unspecified delay. Probably the SESSIONS VII will not be released until June 2021 on our label. This also postpones the p

We as Groove will keep it on the site but with the distinct mention that we will not keep orders hanging. As soon as we can order them (we infact already pre-ordered them!) we will let you know.

And there is Bandcamp. One of the best ways to get music to new fans.

So I hope you can understand why we don't use Spotify as much as we could.

By the way not ALL Groove releases are on the site and Bandcamp as sometimes we are only allowed
